About This Home

With over 700 feet of remarkable shoreline, Paradise Point is a rare opportunity to come home to your very own private peninsula with 180 degree views of the magnificent Long Island Sound. This peaceful oasis offers the ultimate 'vacation where you live' experience. Paddle board right off your deep water dock or spend the day hosting friends on the meticulously landscaped patio which centers around an organic pool, full service outdoor kitchen and your private beach. Constructed by one of New England's most prestigious architects, this 10,000 square foot home was created to capture the endless water views from almost every room. The home's open and modern living spaces seamlessly integrate a true indoor/outdoor lifestyle creating an ideal family retreat with luxury details including the finest finishes, materials and millwork throughout. As if being on the water isn't enough, the location of Paradise Point couldn't be more ideal. When you 'need' to leave your private oasis you are minutes from some of Westport's best restaurants and a three minute drive to the train station. Perfect to help you experience the best that Westport has to offer.
